superbb. excellent phone and camera	amazon	5
phone review. i am also seller on amazon i know the value of rating rating is helpful for seller increase the growth and by this other customer satisfaction and customer purchase the product without any doubt redmi 13c it is gud phone under this price battery quality camera and charging everything is best so without any thinking and discussion purchase this phone thanks sumit arora from anaya fashion collection	amazon	5
worth purchasing... go for itâ ºâ ºâ ºâ ºâ ºâ º	amazon	5
great phone. good phone packed with features at this price	amazon	5
value for money. nice camera sound value for money mobile. ease of use...	amazon	5

lots of complaints this must be a terrible product indeed.	facebook	1.3
useless and pathetic brand and serviceeven after 1 year xiaomi 11t mobile phone has stopped workingand service centers doesn't bother to solve this problem.	facebook	1.38
worst behaviour.....cash counter people..... gossips to customer very bad experience.staff looks educated but are very rude and should learn the way to talk. â€	google	1.44
horrible hyperos	facebook	1.46
useless and pathetic brand and service even after 1 year xiaomi mi 11 lite mobile phone stopped working service centers don't care to solve this problem. my brother has the same problem	facebook	1.54
